Recognition of A (Digger) Company

Return of A (Digger) Company

The Return of the A Company of the 28 Maori Battalion

The A Company of the 28 Maori Battalion has never been formerly welcomed home after the Second World War.

Now is the time to recognise the great challenges these men endured. Sadly not all men returned.

A formal weekend of welcome is planned for the past and present members of the company and their families, to be held on the Waitangi Marae in November 2000.

The working party welcomes support from all Maori organisations that would like to tautoko this kaupapa.

Organising chairman
Judah HelHei
believes that this

recognition of the kaumatua will have impact on the younger generations.

It will be a healing and learning experience for all those that share in the gathering.

Other ex-servicemen and their families are also warmly invited to take part in this occasion.
